Coastal Healthcare FINANCIAL POLICY

Welcome to Coastal Healthcare. We would like to take this opportunity to inform you of our office financial policies.

Insurance and Billing:

We will bill insurance claims to primary and secondary carriers as a courtesy to our patients. You are responsible for providing us with up-to-date insurance information. If your insurance company requires referrals, advanced notification is required for non-emergent referrals. Also, when coming to a Coastal Healthcare specialist, you must have your referral before being seen or you will be responsible for payment in full at the time of service. We accept payment from all participating insurance plans, but require that you pay your co-pay at the time of service. You will be responsible for any deductibles, coinsurance and non-covered services. If you do not have insurance, payment for services is expected at the time of service. The office policy is that the parent requesting treatment for a minor child is responsible for all fees incurred. We cannot become involved in billing disputes in cases involving divorce or separation.

Insurance policies have become increasingly complex over the years and it has become impossible for our office to know each specific plan and their limitations. Therefore, it is your responsibility to know your insurance benefits. Your insurance policy is a contract between you and your insurance company. You may be billed in the event that your insurance plan does not pay in a timely manner or is unresponsive to our claims submission. All fees are ultimately your responsibility.

Charges/Fees:

All missed appointments with the doctor and those cancelled with less than 24-hour notice may be subject to a \$25.00 fee. Also, in the event that a check is returned to us by your bank for any reason, there will be a \$25.00 service charge. There may be additional charges, not covered by insurance, including form processing fees (i.e., physicals, disability), after-hours appointments, weekend appointments, appointments on holidays, and a processing fee on over 30 day unpaid balances (\$10 per statement).

Collection Agency:

All patient accounts that become delinquent will be processed in-house for collection proceedings. A past due and final dunning notice will be sent for overdue accounts. The account will then be reviewed for referral to an outside agency. All accounts turned over to a collection agency will be assessed a 25% administrative fee.

Financial Hardship:

Financial hardship should not stand in the way of medical care. Please discuss hardship with the billing staff as soon as possible.

I HAVE READ AND UNDERSTAND THE TERMS AND CONDITIONS SET FORTH IN THE ABOVE POLICY.

Coastal Healthcare OFFICE POLICY

Coastal Healthcare's goal is to provide and maintain a good physician-patient relationship. We start with skilled professional physicians and staff who recognize the importance of good communication on all levels.

1. CHECK IN:

- Upon arrival, please check in at the front desk. For your initial visit, present a photo ID such as a driver's license and your Insurance Card. You will be asked to complete registration forms. Any payment due by patient is requested during check in.
- At all visits thereafter, check in at the front desk, present your current insurance card and any payment due at EVERY visit. Please inform us of any changes to your personal information such as address, phone or insurance.

2. MEDICATION REFILLS:

- All refills are done based on patient's adherence to scheduled appointments and medical necessity. Please be prepared to review your medication refill needs at the time of your visit. Contact your pharmacy to request refills outside of scheduled appointments as prescription refills are done electronically to and from your pharmacy. Please call your pharmacy first for your refills. They will contact the office. If you prefer a 3 month mail order, please allow ample time for the order to be processed and received through the mail. Refills for certain class drugs will need to be picked up at the office.
- 3. <u>INSURANCE</u>: Under the guidelines of your insurance plan, it is your responsibility to understand your benefit plan.
 - <u>REFERRALS/AUTHORIZATIONS</u>: It is your responsibility to know if a referral or authorization is required to see a specialist. Three (3) business days is requested for non-emergent referrals and authorizations.
